Membership Benefits

Membership of the Straddie Chamber of Commerce will deliver the following benefits:

- It will provide you with an empowered voice to speak on your behalf to Government at all levels and actively assist members to maintain a sustainable business, now and into the future.
- You will be part of an organisation that will be seeking opportunities through government and other funding sources, to facilitate business mentoring and advice, staff training and development for members.
- Membership will enable you to work together on issues and projects to assist one another.
- You'll have access to participate in collaborative marketing opportunities to promote the island, special events and your business to the local community and visitors.
- Members will be invited to attend business networking opportunities across all forms, sizes and structures of business on Straddie.
- The Chamber will support member initiatives that have been ratified by the Committee.
- Regardless of the size or shape of your business, you will become part of what can be a vibrant, effective group of people working towards a sustainable economy on North Stradbroke Island.

- The Chamber will provide a central point of communication for members conveying information on news and events
